4. Let's Play - "Be Kind to Friends"

- Show your child "The only way to have a friend is to be one" (Ralph Waldo Emerson). After talking about the ways we show kindness to others, plan a way to do it! Perhaps you will go grocery shopping and use good manners and kindness saying "please" and "thank you" along your way.
- Open doors for people even if they are not struggling. Then talk with your child about how it makes people happy and you can tell that because they are smiling.

- Go to the library for a scheduled story hour or activity or just go to look for books. Talk about sharing and then see how friendly you and your child can be in the Children's section of the library. Often there are books to pick up and put back on the re-shelving cart. Cleaning up--What a kind and caring thing to do!
